(Verse 1)

Yeah
Cuz I thought you were a gentlemen
But I guess you're not
Yeahhhhhhhhhh
When we started I, I thought you were a perfect
gentlmen
Well I was one to think that you would be there till the
end
Well I talk no more and you don't shown up
And I don't really understand
With the person that I thought you were, changed me it
so fast

(Part chorus)

I mistook you for a real good man(ohhhhhh)
Will you take my heart into your hands
Cuz I thought you were my friend
But I guess that I was wrong
Should've known it all along
(ohhhhhh you ain't no gentlemen)

(Chorus)

You ain't a gentlemen

I put my trust in you
You couldn't see me through
You're not worthy of a girl like me
No you ain't a gentlemen
Now I could see through you
You're playin for a fool
No this ain't what love supposed to be(2x)
(Uh huh hey yayyyyy oh no!)

(Verse 2)

Well I guess that I have you to thank now that I feel this
pain
Cuz I put all of my trust in you and you took your love
away
Cuz we were in too deep and we got too close
Maybe it was a mistake
Cuz you loved the girls I didn't know about
And Im the one who had to pay

(Part chorus)

I mistook you for a real good man(ohhhhhh)
Will you take my heart into your hands
Cuz I thought you were my friend
But I guess that I was wrong
Should've known it all along
(ohhhhhh you ain't no gentlemen)

(Chorus)

You ain't a gentlemen
I put my trust in you
You couldn't see me through
You're not worthy of a girl like me
No you ain't a gentlemen
Now I could see through you
You're playin for a fool
No this ain't what love supposed to be(2x)
