(Risin
Risinâ€¦ooohhhhhh
Risinâ€¦eyyyheyyy, ohh
Risin)

In this world, we must
Must try again, for
When it's hard, mistakes
Are often made, don't
Need to take it all
Out on yourself, but
The sun comes around
People start rising [x2]

(Risinâ€¦people)

Don't let yourself become
The lesser version of the truth
Your message holds right though
When you ain't got nothin' to prove
To be worth something
Don't take much from ya, baby
You got to believe it
It works when ya feel it, ohhhh
You gotta keep (risin) rising (oh people)

(Risinâ€¦people)

Like the turns involves
So many things, can
Bring you down so hard
When you are flying
But the ground is where
You start again
It's a new day for you
People start rising [x2]

Come on and get all that you want
Just what you deserve
No more no less than ????
Better off or even worse

Act like this means somethin
How you're movin up you'll be
Just keep on believin
It works when mean it
Oooohhhh, and we'll be (risin'oh people)
(Risin'people)

Yeah yeah
Hooohh, ohhhh
Hooohhhhhh
Riiiiiiiiiiiiin, oh
