No I just can't seem to give it up  
cause her tea runs in my veins  
Won't you please pour me another cup  
only tea teases  
only tea eases my pain

No I just can't seem to give it up  
I sip it all at 5 p.m  
Won't you please pour me another cup  
til my blood turns green  
until Katie's tea turns red

un thÃfÃfÃ,Ã© sans Catherine c'est un thÃfÃfÃ,Ã©  
sans tartines ni thÃfÃfÃ,Ã©iÃfÃfÃ,Ã"re  
Lapsung suchang Breakfast Tea Darjeeling ou Earl  
Grey  
un thÃfÃfÃ,Ã© sans Catherine c'est un thÃfÃfÃ,Ã©  
sans le nuage de lait  
Life is as short as shortbread  
and cold water so stale  
can't you sprinkle more leaves  
in our empty hands  
oh dear Katy !

Mum is so sad since you're gone  
and the garden's so quiet  
won't you pour some more laughs in our empty hearts  
oh dear Katie

oh Lord my tea !  
oh Lord all mighty !  
oh mon thÃfÃfÃ,Ã© ! mon thÃfÃfÃ,Ã© !  
montÃfÃfÃ,Ã© au cieux !
