Na na na na na na na
Na na na na na na na

Why do people have to get sick
Why do people have to pass away
Why do we have to go
Through so much pain
If I can just say

Don't leave me
I just don't want to see you to pass away
Because you mean so much to me
And I couldn't bear to see if you left me.

When will it be my time
To come and see you
You may not be gone now,
But soon you'll be
Just an imagination

Why do we have to go
Through so much pain
If I can just say

Don't leave me
I just don't want you to pass away
Yeah Yeah

Why do we have to go through so much pain
If I could just say yeah yeah

Don't leave me
I just don't want to see you pass away
Because you mean so much to me
And I couldn't bear to see if you left me

Just say goodbye...
