Hey Hey Hey

I know what
You are going through right now
And I know what to do because
I went through the same thing
Every day of my life

I'm just like you
And every body else
In this world
I been through it before
I know how to handle it
I loved him
But he left me
And I know in my heart
I'm just like you

As you are
Everyday
And every night
I'll be here
Weeping alongside you
And I will watch everyday

I'm just like you
And everybody else
In this world
I been through it before
I know how to handle it
I loved him
But he left me
And I know in my heart
I'm just like you

Am I really here
Am I really speaking about him
Did he really love me
Or did just he just use me
I don't know
But what I do know
Is that I love him

Oooooooooooooohhhhhhhhhh
Aaaaaaaaaaaaaahhhhhhhhhhhh

I know because he wrote to me from heaven
That he loved me and now I know that
I'm just like you
