Lalalala
Lalalala

The shadows are a calling
The shadows are a screeching
That is the way the shadows
Coomunicate

The shadows are a calling to me
The shadows follow me everywhere
Through the city
Through the sea
These are
The shadows

The shadows are here
Everyday
And they whisper to me
That

The shadows are a calling to me
The shadows follow me everywhere
Through the city
Through the sea
These are
The shadows

In the shadows

These are the shadows
Shadows in the air
