(verse 1)

Lonesome Stranger,
With a crowd around you
I see who you are.

You joke, they laugh.
till the show is over
then you fall so hard.

(Bridge)

If you're needing a soul-to-soul connection
I'll run to your side

(Chorus)

When you're lost in the dark
When you're out in the cold
When you're looking for something
that resembles your soul
When the wind blows your house to cards
I'll be a home
to your homeless
heart

(Verse 2)

Open close me
Leave your secrets with me
I can ease your pain
and my arms will be
just like walls around you
come in from the rain

(Bridge)

If you're running in the
wrong direction
I will lead you back

(Chorus)

When you're lost in the dark
When you're out in the cold
When you're looking for something
that resembles your soul

When the wind blows your house to cards
I'll be a home
to your homeless
heart

(Verse 3)

Broken,
Shattered like a mirror
In a million
pieces
Sooner or later
you've got to find
something, someone,
to find you and
save you..

(Chorus)

When you're lost in the dark
When you're out in the cold
When you're looking for something
that resembles your soul
When the wind blows your house to cards
I'll be a home
to your homeless
heart

When you're looking for something
that resembles your soul
When the wind blows your house to cards
I'll be a home to your homeless
heart

I'll be a home, to your homeless
heart

:) (p.s. its homeless heart not heart less heart)
