You always see the best in me
You believed and never stopped dreamin'
You give me faith a little grace
A smile on my face
You hold me up
Keep me reachin' for the clouds

Oh Ohh...
You know you could never let me down
You're always reachin' out
And there's no way I'd ever doubt you
Cross my heart couldn't do it without you now
You never, ever, ever, let me down

It's what you do we're been through
Wanna say, I wanna say thank you
I can't deny I couldn't fly
Without you in my life
You know just how to keep me up
You've always been around

Oh Ohh...
You know you could never let me down
You're always reachin' out
And there's no way I'd ever doubt you
Cross my heart couldn't do it without you now
You never, ever, ever, let me down

You're the one who lifts me off the ground
You're the one who tells me you're so proud
Oh I got to sing it out

Oh Ohh...
You never let me down
You're always reachin' out
And there's no way I'd ever doubt you
Cross my heart couldn't do it without you now
You never, ever, ever, ever, ever, ever, ever let me
down

You're always reachin' out
And there's no way I'd ever doubt you

Cross my heart couldn't do it without you now
You never, ever, ever let me down

No you don't
You never let me down
No ohh...
You never, ever, ever let me down
