First I was afraid, I was petrified  
Kept thinking I could never live without you  
By my side  
But then I spent so many nights  
Thinking in how you did me wrong  
And I grew strong  
And I learned how to get along

And so you're back from outer space  
I just walked in to find you here with that sad  
Look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I'd had known for just one second  
You'd be back to bother me

Oh now go, walk out the door  
Just turn around now  
Cause you're not welcome anymore  
Weren't you the one who tried  
To hurt me with goodbye?  
Did you think I'd crumble?  
Did you think I'd lay down and die?

Oh no not I  
I will survive  
Oh as long as I know how to love  
I know I'll stay alive  
I've got all my life to live  
And I've got all my love to give  
And I'll survive, I will survive hey hey

It took all the strength I had  
Not to fall apart  
Just trying hard to mend the pieces  
Of my broken heart

And I spent oh so many nights  
Just feeling sorry for myself  
I used to cry  
But now I hold my head up high

And you see in me, somebody new  
I'm not that chained up little person  
Still in love with you  
And so you felt like dropping in  
And just expect me to be free  
But now I'm saving all my loving  
For someone who's loving me

Oh now go, walk out the door  
Just turn around now  
Cause you're not welcome anymore  
Weren't you the one who tried  
To break me with goodbye?  
Did you think I'd crumble?  
Did you think I'd lay down and die?

Oh no not I  
I will survive  
Oh as long as I know how to love  
I know I'll stay alive  
I've got all my life to live  
And I've got all my love to give  
And I'll survive  
I will survive  
Hey, hey
