All at once,  
I finally took a moment and I'm realizing that  
Your not coming back  
And it finally hit me all at once  
All at once,  
I started counting teardrops and at least a million fell  
My eyes began to swell,  
And all my dreams were shattered all at once

Chorus:  
Ever since I met you  
You're the only love I've known  
And I can't forget you  
Though I must face it all alone  
All at once, I'm drifting on a lonely sea  
Wishing you'd come back to me  
And that's all that matters now

All at once, I'm drifting on a lonely sea  
Holding on to memories  
And it hurts me more than you know  
So much more than it shows  
All at once

All at once,  
I looked around and found that you were with another  
love  
In someone else's arms,  
And all my dreams were shattered, all at once  
All at once  
The smile that used to greet me brightened someone  
else's day  
She took your smile away  
And left me with just memories, all at once

REPEAT CHORUS
