I used to hang out at the Ricochet  
Thursday nights were good, Ladies drink for free  
I should have known I was just another victim of a  
marketing scheme  
Guys wearing green leather pants  
Doing laps around the floor where we danced  
I'm always game for a little conversation  
But Mister that don't mean that you can jump all over  
me and my...

Rose coloured glasses, they only see what they wanna  
see  
And my heart always crashes without my rose coloured  
Rose coloured glasses

With all the noise in the background  
He says, "What are you doing here all by yourself?  
Why can't a woman have a drink alone without crying  
for help?"  
He says, "Oh no no no no, that's not what I mean!"  
Then he spills his drink on my new blue jeans  
You think I'd be just a little more cynnical  
But love don't come easy so for now I'll just wear my...

Rose coloured glasses, they only see what they wanna  
see  
And my heart always crashes without my rose coloured  
Rose coloured glasses  
Rose coloured glasses, they only see what they wanna  
see  
And my heart always crashes without my rose coloured  
Rose coloured glasses

Just show me love and I'll be alright  
I've heard every line so don't waste my time  
And if these men are any indication of what's going on  
Then I'm keeping them on  
I'm keeping them on, my....
