Peter likes to fly all through the night.
He holds my hand in case I fall,
But I'm not scared.
No, not at all.
It feels right.

Peter's not a lover, he just fights.
He takes the Hook, line, & sinker.
How'd you think that he got Tinker?
Promised her the love of her life.

Peter Pan become a man.
It's time for you to understand,
Your word play games and clever puns
Repetitive just like the sun.
Peter Pan it's time you know,
Neverland is not your home.
But Never is all you will see if you let go of me.

Peter doesn't ever want to change.
He saves you from the pouring rain,
Holds you close and expects for things to stay the
same.

Peter Pan become a man.
It's time for you to understand,
Your word play games and clever puns
Repetitive just like the sun.
Peter Pan it's time you know,
Neverland is not your home.
But Never is all you will see if you let go of me.

How're you gonna lead when you clearly do not see,
And you're quick to bite the very hand that feeds.
How're you gonna know where you're supposed to go,
When you don't even know what the future holds.

You're lost.
You don't even know what you want. (x2)

So I'm gone.

I know what I want.
Consider me gone.
I know what I want.

Peter Pan become a man.
It's time for you to understand,
Your word play games and clever puns
Repetitive just like the sun.
Peter Pan it's time you know,
Neverland is not your home.
But Never is all you will see if you let go of me
