How do you do it?
How do you make me feel so secure?
How do you do it?
How do you make me feel so loved?

It took us sometime to find each other.
But I'm glad that it's you and no other.
Everyone should know, ain't under cover lovin'.
You're my dream come true, that's just how you do.

How do you do it?
How do you make me feel like you'll never
Let go 'cause I'm one of a kind?
How do you do it?
How do you make me feel like
I'm meant to be yours and you're meant to be mine?

Do you see you and me?

Never give up but they say,
"Do what you love and never work another day in your

A love never loved, ever loved, ever before,
That's for sure it'll soar.
We will reach impossible heights.

How do you do it?
How do you do it?
How do you do the things you do how do you, how do

you?

How do you do it?

How do you do it?

How do you make me feel this feeling that I feel...
