Verse 1

but ya gotta watch the ones that wasn't wit ya from the
beginnin'

hopin' God forgive a young thug
let me die in my sleep, an to the head wit a slug
I hit the bud
I'ma show love, a gang of husts
stayin' far from the ones that be all in the Ave.
no dubs, free admission ghetto celebs
valet the Expedition
boss be workin' then I smebed
then this game headlined the news
saw the sheriff
now I ride quiet on the ??? ???
second an third look me, "Ain't you Keak?"

When I step through

I say, "Nah, baby girl I wanna freak you too"
it's on

fight broke out, now everybody in the street
Why can't we juss get along an make ends meet?
Then I thought "Nah, forget it" started hollerin at a
freak
I pulled to the side wit my ride
she saw the link
wit the piece danglin off an it read "Keak Da Sneak"
baby said "Thats you?! 3 Times you wit dem?!"
As I broke down the weed started suckin on a stem
I said "Shhh! Keep it on the low an hit the strip"
I'm tryin to yell "Timber!" after breakin ya left limb
foolin wit a light weight, wit a feather in my brim
then I thought about it... "Man, there's way more

we went to go satisfy a High Tech pimp
wide enough to grip
walkin wit a limp.
But I'm

(Chorus)

All in the door, about 3 or 4 sets of keys
