Ooh, I'll give my all or not at all
There's no in between, I'll give my best
Won't second guess, this feeling in me

You make me want to love you
With every breath I'll love you endlessly
I'll give my heart give my soul
I won't hold back, I'll give you everything
All of me completely

Ooh, you fill me up with your love
Oh, I just overflow when we touch
I can't get enough and I want you to know

You make me want to love you
With every breath I'll love you endlessly
I'll give my heart give my soul
I won't hold back, I'll give you everything
All of me completely

Ooh, yeah, yeah, oh

You make me want to love you
With every breath I'll love you endlessly
I'll give my heart give my soul
I won't hold back, I'll give you everything
All of me completely
