So much for finishing what we started  
But don't take it personal if I'm not broken-hearted  
Well, I've had enough, I'll sleep you off  
Your memory ain't so tough  
Right now I'm hurtin'  
But one thing's for certain, you'll be

Gone by dawn, out of my way  
Out of my heart, out of my face  
And into my past, out of my hair  
Off of my mind, into thin air  
And I might just drive all night long  
But you'll be gone by dawn

Who cares if this means starting over?  
Tonight I swear I'm gonna shrug you off my shoulders  
We made mistakes, hey, that's the breaks  
But now for Heaven's sakes  
Now don't you worry about me  
I'll be fine and you'll be

Gone by dawn, out of my way  
Out of my heart, out of my face  
And into my past, out of my hair  
Off of my mind, into thin air  
And I might just drive all night long  
But you'll be gone by dawn

I'll be out of my misery  
You'll be ancient history  
And I'll be on my feet again  
Yeah, I'll be on my feet again

Now don't you worry about me  
I'll be fine and you'll be

Gone by dawn, out of my way  
Out of my heart, out of my face  
And into my past, out of my hair  
Off of my mind, into thin air  
And I might just drive all night long  
But you'll be gone by dawn, yeah

You'll be gone by dawn  
Ohh, I'm gone
