(Annie Roboff/Beth Nielson Chapman/Jennifer Day)

Boy you blow my mind
You can make me crazy
(Make me laugh, make me cry, keeping my heart shook
up)
I'm so mesmerized
And you're the one who can save me
(So sweet and fine, throw me a line, I think it's time for
the hook up)
Baby you're my main attraction
Setting off this chain reaction

Just a little enough
Just the thought of your touch
That's the fun of your love baby
Oh oh oh yeah yeah
Just the feeling inside
That's the thrill of the ride
That's the fun of your love baby

Now I've shown you how
I can push the limits
(I make you laugh, make you cry, I'm keeping your
heart shook up)
Still you turn me around with sweet forgiveness

(You draw the line, I'll pay the fine, that's the sign of a
good love)
In this twisted world we live in
Please don't stop this love you're giving

Just a little enough
Just the thought of your touch
That's the fun of your love baby
Oh oh oh yeah yeah
Just the feeling inside
That's the thrill of the ride
That's the fun of your love baby

Let the days unwind
Let the dreams come true

Happy ever after baby
In your heart you'll find
I'll be there for you

Just a little enough
Just the thought of your touch
That's the fun of your love baby
Oh oh oh yeah yeah
Just the feeling inside
That's the thrill of the ride
That's the fun of your love baby
