(Phil Vassar/Julie Wood/Robert Byrne)

Um, how do I wanna say it?
Yeah, right

You haven't said it yet, but I bet you are about to
But I'm a modern girl, and I can live with or without you
You ain't gettin' to me, I'm cool
I'm never gonna be your fool

(Yeah, right)
Just look at me, I know you can see
How fast, how far I've fallen in
Way over my head, whatever I said
Well, that was my pride talkin'
You're the last thing I ever needed
And I don't need air to breathe, and
No, I'm not in love
(No, I'm not in love)
(Yeah, right)

I told everybody else, and myself, love was overrated
It's not for me, couldn't see how I'd ever be persuaded
And I was usin' you to pass the time
Forever never crossed my mind
(Yeah, right)
Just look at me, I know you can see
How fast, how far I've fallen in
Way over my head, whatever I said
Well, that was my pride talkin'
You're the last thing I ever needed
And I don't need air to breathe, and
No, I'm not in love
(No, I'm not in love)
(Yeah, right)

Yeah right away I knew
That it had to be you
Darlin' hoped to be you
(Yeah you)
Yeah

(Yeah, right)
Just look at me, I know you can see
How fast, how far I've fallen in
Way over my head, whatever I said
Well, that was my pride talkin'
You're the last thing I ever needed
And I don't need air to breathe, and
No, I'm not in love
(No, I'm not in love)
(Yeah, right)
Yeah, right
