(Phil Vassar/Julie Wood/Robert Byrne)

Um, how do I wanna say it?  
Yeah, right

You haven't said it yet, but I bet you are about to  
But I'm a modern girl, and I can live with or without you  
You ain't gettin' to me, I'm cool  
I'm never gonna be your fool

(Yeah, right)  
Just look at me, I know you can see  
How fast, how far I've fallen in  
Way over my head, whatever I said  
Well, that was my pride talkin'  
You're the last thing I ever needed  
And I don't need air to breathe, and  
No, I'm not in love  
(No, I'm not in love)  
(Yeah, right)

I told everybody else, and myself, love was overrated  
It's not for me, couldn't see how I'd ever be persuaded  
And I was usin' you to pass the time  
Forever never crossed my mind

(Yeah, right)  
Just look at me, I know you can see  
How fast, how far I've fallen in  
Way over my head, whatever I said  
Well, that was my pride talkin'  
You're the last thing I ever needed  
And I don't need air to breathe, and  
No, I'm not in love  
(No, I'm not in love)  
(Yeah, right)

Yeah right away I knew  
That it had to be you  
Darlin' hoped to be you  
(Yeah you)

Yeah

(Yeah, right)

Just look at me, I know you can see

How fast, how far I've fallen in

Way over my head, whatever I said

Well, that was my pride talkin'

You're the last thing I ever needed

And I don't need air to breathe, and

No, I'm not in love

(No, I'm not in love)

(Yeah, right)

Yeah, right
