She was touching up her makeup  
I was standing next in line  
I couldn't help but notice  
'Neath those powder room lights  
It was China red outlined in black  
On the left side of her shoulder  
In plain view  
Well I just had to ask, "Hey, what's with that half heart  
tattoo?"

She glanced at me through the mirror  
And just started to laugh  
She said, "I know this looks funny but there is another  
half  
And it's China red outlined in black on the right side of  
his shoulder  
Last I knew  
Yeah somewhere out there is a match to this  
Half a heart tattoo"

"Well that last I heard some redhead  
Caught his eye in New Orleans  
And before that it was a blonde in Baton Rouge  
I know there's at least a dozen gals out sporting one of  
these  
Thinking that they're the only fool  
That he's left with a heart tattoo"

Well girl you get my symphony  
I knew a guy like that  
I said, "You ain't gonna believe this"  
Then I pulled my jacket back  
"Yeah it's China red outlined in black on the left side of  
my shoulder  
Still fairly new  
I guess there's just a whole mess of us  
With a half a heart tattoo"

Well the last I heard he moved in  
With some dancer from L.A.  
But I'm betting that won't last a week or two

He loves them long enough to leave his mark  
And then he's on his way and he's so good they never  
have a clue  
'Til they're stuck with a half a heart tattoo  
So ladies make sure that guy standing next to you  
Ain't wearing no half a heart tattoo
