It's sad to think
We're not gonna make it
And it's gotten to the point
Where we just can't fake it
For some ungodly reason
We just won't let it die

I guess neither one of us
Neither one of us
Wants to be
The first to say good-bye
I keep wondering

What I'm gonna do
Without you
And I guess you must be
Wondering
The same thing too
So we go on
Go on together
Living a lie

Because
Neither one of us
Wants to be the first
To say good-bye

Every time
I find the nerve
Every time
I find the nerve
To say I'm leaving
Memories
Those old memories
Get in my way
Lord knows it's only me
Only know it's me
That I? m deceiving
When it comes
To saying good-bye
That a simple word

That I just cannot say

There can be no way

There can be no way

This can have

A happy ending

No, no

So we just go on

Hurting and pretending

Convincing ourselves

To give it just

One more try

Because I guess

Neither one of us

Wants to be

The first to say

Neither one of us

Wants to be

The first to say

Neither one of us

Wants to be

The first to say

Farewell my love

Goodbye
