[Effie:]

You want all my love and my devotion  
You want my loving soul right on the line  
I have no doubt that I could love you forever  
The only trouble is, you really don't have the time  
You've got one night only, one night only  
That's all you have to spare  
One night only, let's not pretend to care  
One night only, one night only  
Come on big baby come on  
One night only, we only have 'til dawn  
In the morning this feeling will be gone  
It has no chance going on  
Something so right has got no chance to live  
So let's forget about chances, this one night I will give

[Announcer:]

Singing their new record sensation, Deena Jones and  
the Dreams

[Deena and the Dreams:]

You want all my love and my devotion  
You want my loving soul right on the line  
I have no doubt that I could love you forever  
The only trouble is, I really, really don't have the time  
You've got one night only, one night only  
That's all I have to spare  
One night only, let's not pretend to care  
One night only, one night only  
Come on big baby come on  
One night only, we only have 'til dawn (We only have 'til  
dawn)  
In the morning this feeling will be gone (Be gone)  
It has no chance going on  
Something so right has got no chance to live  
So let's forget about chances, it's one night I will give  
One night only, one night only  
Come on big baby come on  
One night only, we only have 'til dawn (Nothing but one  
night)  
One night only, one night only

There's nothing more to say  
One night only, words get in the way (Nothing but one  
night)  
One night only, one night only...
