Last night
I said goodbye
Now, it seems year
I'm back in the city
Where nothing is clear
But thoughts of me
Holding you
Bringing us near
And tell me
When will our eyes meet
When can I touch you
When will this strong
Yearning end
And when
Will I hold you again
Time, in New England
Took me away
To long rocky beaches
And you, by the bay
We started a story
Whose end must now wait
And, tell me
When will our eyes meet
When can I touch you
When will this strong
Yearning end
And when
Will I hold you again
I feel the change comin'
I feel the wind blow
I feel brave and daring
I feel my blood flow
With you
I can bring out
All the love, that I have
With you there's a heaven
So earth ain't so bad
And tell me
When will our eyes meet
When can I touch you
When will this strong

Yearning end
And when
Will I hold you again
