When you can wear
What you feel
What do you wanna say?
Now love
Is a little number
That you can
Wear each day
As long as you let me
Be the accessory
Simply send me
On my way
Style of love
I look good in love

When it's been
Out of sight
And out of mind
For such a long time
That's how one forgets
So I reached
In the back
Of my closet
And pulled it out
And tried it on
And it still fits

So I covered the pain up
With lots of MAC make-up
But I can't help but blush
Because I'm in love
All dressed up in love

Chorus:
Cool in the summer
Warm in the winter
I'm dressed up in love
I'm cool in the summer
Warm in the winter
Cuz I'm in love
All dressed up in love

People are looking

Some even staring
I don't know it
When they ask me
What I'm wearing
This or that
It's made
For any weather
My friend
And I sit down
And we both
Make it together

Now if you really want
One of your own
I hope your shoes
Are made for walking
Cuz I found love
And I you must find love

(Chorus)

Cuz I'm in love
And you must find love
