And I am tellin' you I'm not goin'
You're the best man I've ever known
There's no way I can ever go
No, no, there's no way
No, no, no, no way
I'm livin' without you

I'm not livin' without you
I don't wanna be free
I'm stayin', I'm stayin'
And you, and you
You're gonna love me
You're gonna love me

And I am tellin' you, I'm not goin'
Even though the rough times are showin'
There's just no way
There's no way

We're part of the same place
We're part of the same time
We both share the same blood
We both have the same mind

And time and time
We've have so much to share
No, no, no, no, no, no way
I'm not wakin' up tomorrow mornin'
And findin' that there's nobody there

Darlin' there's no way
No, no, no, no way
I'm livin' without you
I'm not livin' without you
You see there's just no way

There's no way

Please don't go away from me
Stay with me, stay with me
Stay, stay and hold me
Stay, stay and hold me

Please stay and hold me
Miss her bad, try and miss her, try and miss her
I know, I know, I know you can

Tear down the mountains
Yell, scream and shout
You can say what you want
I'm not walkin' out

Stop all the rivers
Push, strike and kill
I'm not gonna leave you
There's no way I will

And I am tellin' you, I'm not goin'
You're the best man I'll ever know
There's no way I could ever, ever go
No, no, there's no way
No, no, no, no way
I'm livin' without you

I'm not livin' without you
Not livin' without you
I don't wanna be free
I'm stayin', I'm stayin'
And you, and you, and you
You're gonna love me
You're gonna love me, yes you are
Yes you are

Aah, love me
Love me
Love me
Love, you're gonna love me
