Oooooooh ooh ooh [2x]

27th of January, think he died a year ago today
She's crying on my shoulder and begging me to make
the hurting go away
Pretty brown eyes, tears full of guilt, a heart full of pain
and fear
I wanna tell her it's okay but we both know she's the
reason he's not here.

I keep on crying, but it doesn't seem to help at all
(seem to help at all)
With every single tear drop, it's like another raindrop
falls
And I would (and I would), if I could (if I could)
... but the try would be in vain (the try would be in vain)
Said so matter what I do... I can't stop the rain.
So I cry
Oooooooh... I can't stop the rain (stop the rain) [2x]
If I could, you know I would... but the try would be in
vain.
So I cry
Oooooooh... I can't stop the rain (stop the rain)

Faded picture in a little gold locket, and she never
takes it off
I know it's small, but it's heavy 'cus it's filled with guilt
I know and she why his life is lost
I feel bad for her, but I'm having mixed emotions
'Cus he was a friend of mine
Somewhere in the deepest darkest part of my mind
I wish it was her that died that night

(Oooooh)

I keep on crying, but it doesn't seem to help at all
(seem to help at all)
With every single tear drop, it's like another raindrop
falls (raindrop falls)
And I would (and I would), if I could (if I could)
... but the try would be in vain (the try would be in vain)
Said so matter what I do... I can't stop the rain

So I cry
Oooooooh... I can't stop the rain (stop the rain) [2x]
If I could, you know I would... but the try would be in
vain.
So I cry
Oooooooh... I can't stop the rain (stop the rain)

One rainy saturday night, a happy anniversary
Celebrating love, champagne all around
They had a little too much to drink
They got in the car, and he could barely stand up
So she figured that she'd drive.
Staring at him no the road, a sudden jerk of the wheel,
And the car flipped about three times

(Oooooooh)

I keep on crying, but it doesn't seem to help at all.
With every single tear drop, it's like another raindrop
falls (raindrop falls).
And I would (and I would), if I could (if I could)... but the
try would be in vain.
Said so matter what I do (what I do)... I can't stop the
rain.
So I cry
Oooooooh... I can't stop the rain (stop the rain) [2x]
If I could, you know I would... but the try would be in
vain.
Oooooooh... I can't stop the rain
