Are you a man who cherishes and cares for me?
Is that true? Is that true? Is that true?
Are you a guard in a prison, maximum security?
Is that true? Is that true? Is that true?
Do we stay home all the time cuz you want me to
yourself?
Is that true? Is that true? Is that true?
Or am I locked away, had a feeling that I'd find
someone else
Is that true? Is that true? Is that true?

[Chorus]

Well, I don't like living under your spotlight
Just because you think I might find somebody worthy
Well, I don't like living under your spotlight
Baby if you treat me right, you won't have to worry

____ relationship, fulfilling your needs as well as mine
Is that true? Is that true? Is that true?
Or is this just my sentence, am I doing time?
Is that true? Is that true? Is that true?
If this is love, real, real love, then I'm staying no doubt
But if I'm just a prisoner, then I'm busting out
Is that true? Is that true? Is that true?

(Chorus)

Oh, you oughta be ashamed of yourself
What the hell do you think you're doing?
Loving me, loving me, so _____
Baby, all I do is try
To show you that you're my one and only guy
No matter who may come along
Open your eyes cuz baby I don't lie

(Chorus x2)
