You know that thing  
That love thing, yeah  
Make me wanna say, oh  
Look down, oh, oh

It breaks my heart up every time  
That I think about what you told me that night  
Nowhere to run, nowhere to hide  
No way I can escape what's in my mind

Oh, that's the way love goes  
It takes you up, it takes you down, got you going all  
around  
Oh, that's the way our love grow  
Open up your mind, now don't be blind, I know baby,  
you will find

There is no limit to how high we can go  
If we don't look down  
Don't live in the limits, let's go higher and higher  
Don't look down

Broken hearts and broken dreams  
Baby, nothing's broken as it seems  
Gotta find a way to let it flow  
I know that there's a higher place to go

Oh, that's the way love goes  
Baby if it's real, then here's the biz, gotta accept it how  
it is  
That's the way our love goes  
Open up your mind, now don't be blind, I know baby,  
you will find

There is no limit to how high we can go  
If we don't look down  
Don't live in the limits, let's go higher and higher  
Don't look down

Oh, seem we cannot let go  
And there's no looking down  
When you walk on the side road

Gotta keep your eyes on the highest prize of love

You don't have to worry  
Don't you worry about a thing  
Just keep your eyes above  
One, two, three, sing

There is no limit to how high we can go  
If we don't look down  
Don't live in the limits, let's go higher and higher  
Don't look down

There is no limit to how high we can go  
If we don't look down  
Don't live in the limits, let's go higher and higher  
Don't look down
