No, no, no, how am I gonna live without your love, baby
You might wanna shut up and let me talk!
Listen to me now
Iâ€™ve got something I wanna say, and this is real info
You gonna miss me, you gonna miss me!

Lately Iâ€™ve been feeling like Iâ€™m in this by myself
And even though I keep on trying
Itâ€™s like nothing seems to help.
I see you raising up your hand now
And I ainâ€™t about to go through that.
Thatâ€™s a good enough reason, Iâ€™m leaving
This time I wonâ€™t come back!

I donâ€™t deserve the way you play around
I donâ€™t deserve it!
No matter what, Iâ€™ll always hold you down
If I didnâ€™t know before, I know it now
It ainâ€™t working, it ainâ€™t worth it all the hurting

Hook:
So Iâ€™m gone!
Walk away, gonna spend â€¦
With your friends buying them dollar fancies
Iâ€™ll be gone!
But the job you had us speak
Like I promise you donâ€™t keep
But the deal you take is cheap
Iâ€™ll be gone!
Like the problem we used to share,
The way you used to get this here
Just like you whenever needed you, Iâ€™m gone!
â€¦those up in the closet
â€¦only understand me,
Gone, gone, gone!

You always say Iâ€™m real, babe
And you go off and prove me right
Huh, you hide behind the same excuses
When I catch you when you lie.
I shouldnâ€™t have to wonder all the minute where

you're going
I shouldn't have to wonder why last night you didn't
come home
Got to think that all I really want is just myself
The truth is I can do better by myself!

I don't deserve the way you play around
I don't deserve it!
No matter what, I'll always hold you down (hell yeah)
If I didn't know before, I know it now
It ain't working, it ain't worth it all the hurting,

Hook:

Gone, gone, gone!

Gone, gone, gone
I'm leaving
Cause you've been cheating
Gone, gone, gone
You've been misleading
And I've been mistreated
And all because I love you!
Gone, gone, gone
Oh, it's over!
I'm gone, gone, gone
I told ya
Gone, gone, gone
No point ofÂ...
End of discussion
Baby, I'm gone!
