Share my life, take me for what I am  
Cause I'll never change all my colours for you  
Take my love, I'll never ask for too much  
Just all that you are and everything that you do

I don't really need to look very much further  
I don't want to have to go where you don't follow  
I won't hold it back again, this passion inside  
Can't run from myself  
There's nowhere to hide

Well, don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me...  
I have nothing, nothing, nothing  
If I don't have you, you, you, you, you, you...

You see through, right to the heart of me  
You break down my walls with the strength of your love  
mmmmm...  
I never knew love like I've known it with you  
Will a memory survive, one I can hold on to

I don't really need to look very much farther  
I don't want to have to go where you don't follow  
I won't hold it back again, this passion inside  
I Can't run from myself  
There's nowhere to hide  
Your love I'll remember, forever

Don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me...  
I have nothing, nothing, nothing...

Well, don't make me close one more door  
I don't wanna hurt anymore

Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me no...  
Don't walk away from me  
Don't you dare walk away from me  
I have nothing, nothing, nothing  
If I don't have you, you  
ooohhh,ooooh  
if i don't have you,oohh..
