Never met a man
Quite like you
Doing all you can
Making my dreams come true
You're strong and you're smar
TYou've taking my heart
And I'll give you the rest of me too

(Chorus)
You're the perfect man for me
I love you I do
Mm I love ya

I've never felt
Quite like this
Good about myself
From my very first kiss
I'm here when you call
You've got it all
And confidence like I never knew

(Chorus)
You're the perfect man for me
I love you I do

You've got a charm
You simply disarm me every time
As long as u drive
I'm along for the ride
Your the way
I said it before
There won't be a door
That's closed to us
Putting all my trust in you
Cause you, you'll always be true,
Oh I never could have known
This would be,
Oh you and you alone, yeah
Are all for me
I know you're the best Y
Ou've passed every test
It's almost too good to be true

(Chorus)
You're the perfect man for me
I love you I do
You're the perfect man for me
I love you I do
