Seems like I'm not here, it's like I don't mean nothing
Like glass, I'm clear almost like you can see straight
through me
I've got questions, but no answers, so tired of being
confused
And I don't wanna stay right here and die, gotta find
my wings to fly

I gotta find me another way
'Cause I don't wanna stay another day
Time for a change in my life
I've opened my eyes, I'm changing my life

And now I'm gonna live my life for me
'Cause this ain't how it's supposed to be
No more standing in the back of the line
'Cause I'm invisible for the last time

Why can't you see me? Do I really even matter?
You changed me completely and I remember how it
used to be
I've got questions, what's the lesson?
I'm tired of being confused and now
I'm gonna take my chance and fly, I'm taking back my
life

I gotta find me another way
'Cause I don't wanna stay another day
Time for a change in my life
I've opened my eyes, I'm changing my life

And now I'm gonna live my life for me
'Cause this ain't how it's supposed to be
No more standing in the back of the line
'Cause I'm invisible for the last time

This can't be it for me, this can't be all I'm meant for
And no more time to waste in this life, it's my time to
shine
No more feeling insufficient 'cause I'm gonna make my
own decision
It don't matter what you can or cannot see I am doing it

for me

I gotta find me another way
'Cause I don't wanna stay another day
Time for a change in my life
I've opened my eyes, I'm changing my life

And now I'm gonna live my life for me
'Cause this ain't how it's supposed to be
No more standing in the back of the line
'Cause I'm invisible for the last time

Can you see me? I know you see me

No more standing in the back of the line
'Cause I'm invisible for the last time
No more standing in the back of the line
'Cause I'm invisible for the last time
