You gotta act like a woman and think a man
Why you call me your dream bed, and foolish of me I believe that
You said every king needs his queen (bae)
That's why you needed me baby
Right in between (lust) and love
You go and mess things up, oh
Now there's no we babe
There's just you and there's me baby
There was us, there was trust, there was happen and change, I know
Silly you, silly me, silly us, what (a) (waste) wait

In love, love, love
You gotta act like a woman, and think like a man
But in love, love, love
Hey girl

You gotta act like a woman and think like a man

Now I'm gonna keep it realer with you now (then) I ever been
we (shouldve) never been, girl we was better friends
You didn't (have) to tell me, what (where) (why) and when
(you)...didn't (need to) (either), cause you wasn't my girlfriend, we had a good
thing

You (would come by and kick it) (oooh) give me that good thang
Then after we (was finished) .you go your way, I go my way, it was whatever
Tell me what (in the hell) (made us think) this wanna gonna be better
And now I'm telling you lies, all because I hate to see the tears in your eyes
Of course I want my cake, and (eat it to) to (ima guy)
And of course, you don't understand, but you would
If you thought like a man in love

In love, love, love
You gotta act like a woman, and think like a man
But in love, love, love
You gotta act like a woman and think like a man

Time cost money and it's so expensive
Versace (linen) ... got these women blowing kisses
Leaning on my auto, she's so photogenic
Can I take a picture, she's my Monalisa
Living like a princess in a fairy tale
You know them people up in Barney show and tell
Bentley black and ... see no poney tail
5 karat yellow diamond you don't know me well
Penthouse... (at the trunk sit on collens Ave)
She (caught an attitude) call the night... I had to call the cab

You don't understand it's altitude I'm balling at
I'm at the game on the wood where the owner at
(SO different but the same) , boy you tell me everything
Yeah you show me how you think, you're the only one to blame
It's such a shame, (yes you) lost the game you (tought) me how to play

In love, love, love
You gotta act like a woman, and think like a man
But in love, love, love
You gotta act like a woman and think like a man
Act like a woman, act like a woman
Gotta act like a woman.
