Go away, go away

I've got this feelin' today  
A feelin' I ain't never felt before  
And it came from you  
So that means you can make it go away, make it go  
away

And I don't like the way  
You've been hangin' around with your face on the  
ground  
What's the deal?  
Can you make it go away, make it go away?

What's wrong with my baby?  
What's wrong with me?  
What's wrong with us?  
What's wrong with we?

'Cause every time we try to talk and turn this thing  
around  
Tell me what's the deal and then I try to work it out  
Is it you? Is it me? Is it us? Is it we?  
We've been through so much pain  
Baby calm down, no way

Believe it or not you got me feelin' this way  
And I never ever felt this way before  
Didn't expect that from you  
You tryna make me go away

And I don't like the way  
We keep on fussin' and fighting about yesterday and  
last night  
That's old news, we need to be strong  
But you're makin' me go away, go away

What's wrong with my baby?  
What's wrong with me?  
What's wrong with us?  
What's wrong with we?

'Cause every time we try and talk you turn this thing  
around  
Tell me what's the deal and then I try to work it out  
Is it you? Is it me? Is it us? Is it we?  
We've gone through so much pain

Now, now let's stop playin' these games  
If we gonna make it work, let's just act our age  
Girl, I'm hearin' everythin' that you say  
But I don't wanna make you go away, make you go  
away

I know I act like I don't care, I'm just tryna play it cool  
But if we keepin' actin' this way  
Then that would make us both some fools  
All the hurt and the lies and the pain  
It'll make it go away, make it go away

What's wrong with my baby?  
What's wrong with me?  
What's wrong with us?  
What's wrong with we?

See every time we try to talk and turn this thing around  
Tell me what's the deal and then we'll try to work it out  
Is it me? Is it us or is it, is it, is it we?
