I'm really close tonight.
And I feel like I'm moving inside him.
Lying in the dark
And I think that I'm beginning to know him.
Let it go
I'll be there when you call.

And whenever I fall at your feet
Won't you let your tears rain down on me
Whenever I touch your slow turning pain...

Don't hide it from me now
There's something in the way that your talking.
Words don't sound right
I hear them all moving inside you
Know - I'll be waiting when you call
And whenever I fall at your feet
Won't you let your tears rain down on me
Whenever I touch your slow turning pain...

The finger of blame has turned upon itself
And I'm more than willing to offer myself
Do you want my presence or need my help?
Who knows where that might lead.
I fall, I fall.

Whenever I fall at your feet
Won't you let your tears rain down on me
Whenever I touch your slow turning pain...
