What price happiness, what price happiness
Who can truthfully say?
But for every share, with tears we pay

Love is happiness, I've had happiness
Ah, but it ended one day
Now I look at life a different way

When skies are cloudy and grey
They're only grey for a day
So wrap your troubles in dreams, and dream your
troubles away

Until that sunshine peeps through
There's only one thing to do
Just wrap your troubles in dreams, and dream your
troubles away

Your castles may tumble
That's fate after all
Life's really funny that way
No use to grumble
Just smile as they fall
Weren't you king for a day, say

Just remember that sunshine
Always follows the rain
So wrap your troubles in dreams, and dream your
troubles away
