Leaves a mind left to wonder
Where in the world, she's gone
Once a head laced in halos
How could it go wrong?

Comes to mind, she lays her head
In flowers and wine
Maybe next time, she will find

Come to me, come to me
My yoke is easy, I'll give you rest
Under-wing to breast
Come to me, come to me, come to me

My yoke is easy, I'll give you rest
Under-wing to breast
Come to me

The great beyond, a better mystery
Than the life at hand
Search the shadows only to find
A dry and weary land

All the while, oasis lies
Just one breath away
Only one breath away
