Frustrated kneeling on the floor  
Skin and bone against the boards  
nervous brow and sweaty fingers

Dimpled chin against a fist  
if this is faith, well, this is it  
off the lips and hope belingered

Whatever I ask for, you'll say you'll give  
on all of this my hope is pinned  
I offer it up, though I can't see  
and all of this, all of this, return to me.

He discreetly whispers  
Hope to shout, there's no words left  
pray the spirit gets it right

with all this intercession  
pray that my confession  
will not blind your will to mine

Whatever I ask for, you'll say you'll give  
on all of this my hope is pinned  
I offer it up, though I can't see  
and all of this, all of this, return to me.  
and I become holy....

spare the countless hours that  
I have wasted by  
talking to myself  
but a thousand years to you  
is but a day  
that's why I....

Whatever I ask for, you'll say you'll give  
on all of this my hope is pinned  
I offer it up, though I can't see  
and all of this, all of this, return to me  
and I become holy....
