Oh say, won't you say?  
Say that you love me  
With love ever love, love everlasting  
All my devotion put into motion by you

Every mornin' I  
Have the chance to rise  
And give my all  
Every afternoon I find  
I have only wasted time  
In light of your awe

Isn't love amazing?  
I forgot how to speak  
Knowin' you are near and  
I am finally free

Oh say, won't you say?  
Say that you love me  
With love ever love, love everlasting  
All my devotion put into motion by you

My eyes fear to close  
This reckless letting go  
Is hard to bear  
On the edge of all I need  
Still I cling to what I see  
And what have I there?

I bred my own disaster  
Who have I to blame?

When all I need is waiting  
To be fanned to flame

Oh say, won't you say?  
Say that you love me  
With love ever love, love everlasting  
All my devotion put into motion by you  
By you yeah yeah

I open up my eyes to see you standing there

Oh, I can barely breathe  
I can hardly bear all the love  
That I feel for you inside  
I hope you feel it now  
Some, somehow

Oh say, won't you say?  
Say that you love me  
With love ever love, love everlasting  
All my devotion put into motion by you  
By you, yeah yeah yeah yeah

Oh say, won't you say?  
Say that you love me  
With love ever love, love everlasting  
All my devotion put into motion by you  
By you, yeah yeah yeah yeah
