If I run around like  
Joy in the sunlit rain  
Would You  
Would You laugh with me?  
What do I do to make You laugh?  
What do I do to make You smile?  
Oh, if only for a little while

-Chorus-  
Sing out in joy  
Let the silent seas  
Let the seas roar!  
Sing out in joy  
Hold your breath no more  
For the Savior

If I split the clouds  
Riven with trumpet loud  
Would You  
Would You dance with me?  
What do I do to make you cry?  
What do I do to make you shout?  
Oh, if only for a little while

(Chorus)

I would walk across the fire and cinders!  
Treasure every moment I could remember!  
Yeah! Yeah!  
Yeah! Yeah!  
Yeah, yeah, yeah...

If a path was found in  
The middle of the Red, Red Sea  
Would You  
Could You walk across with me?

(Chorus)
