Estoy loca enamorda de ti...

It seemed to be like the perfect thing for you & me
Its so ironic you're what I had pictured you to be
But there are facts in our lives we can never change
Just tell me that you understand & you feel the same
This perfect romance that Ive created in my mind
Id live a thousand lives
Each one with you right by my side
But yet we find ourselves
In a less than perfect circumstance
And so it seems like well never have the chance

Aint it funny how some feelings you just can't deny
And you can't move on even though you try
Aint it strange when your feeling things you shouldn't
feel
Oh , I wish this could be real
Aint it funny how a moment could just change your life
And you don't want to face what's wrong or right
Aint it strange how fate can play a part
In the story of your heart

Sometimes I think that a true love can never be
I just believe that somehow it wasn't meant for me
Life can be cruel in a way that I can't explain
And I don't think that I could face it all again
I barely know you but somehow I know what you're
about
A deeper love Ive found in you & I no longer doubt
Youve touched my heart & it altered every plan Ive
made
And now I feel that I don't have to be afraid

Aint it funny how some feelings you just can't deny
And you can't moved on even though you try
Aint it strange when your feeling things you shouldn't
feel
Oh , I wish this could be real
Aint it funny how a momant could just change your life
And you don't want to face what's wrong or right

Aint it strange how fate can play a part
In the story of your heart

I locked away my heart but you just set it free
Emotions I felt held me back from what my life should
be
I pushed you far away & yet you stayed with me
I guess this means that you & me were meant to be

Aint it funny how some feelings you just can't deny
And you can't moved on even though you try
Aint it strange when your feeling things you shouldn't
feel
Oh , I wish this could be real
Aint it funny how a momant could just change your life
And you don't want to face what's wrong or right
Aint it strange how fate can play a part
In the story of your heart

Aint it funny how some feelings you just can't deny
And you can't moved on even though you try
Aint it strange when your feeling things you shouldn't
feel
Oh , I wish this could be real
Aint it funny how a momant could just change your life
And you don't want to face what's wrong or right
Aint it strange how fate can play a part
In the story of your heart

Aint it funny how some feelings you just can't deny
And you can't moved on even though you try
Aint it strange when your feeling things you shouldn't
feel
Oh , I wish this could be real
Aint it funny how a momant could just change your life
And you don't want to face what's wrong or right
Aint it strange how fate can play a part
In the story of your heart
