Time goes slowly now in my life  
Fear no more of what I'm not sure  
Searching to feel your sole  
The strength to stand alone  
The power of not knowing and letting go  
I guess I've found my way it's simple when it's right  
Feel lucky just to be here tonight  
And happy just be me and be alive.  
Love, in and out, a mile in my heart,  
And though life can be strange I can't be afraid  
Searching to feel your sole, the strength to stand  
alone,  
The power of not knowing and letting go  
I guess I've found my way it's simple when it's right  
Feeling lucky just to be here tonight  
And happy just to be me and be alive  
I guess I've found my way it's simple  
When it's right feeling lucky just to be here tonight and  
Happy just to be me and to be alive.

Happy we wear like sweet angel  
Don't we be friends like we use too be  
Don't we be friends like we use too be  
Why don't you be friends forever  
No ways baby girl,i must confess  
No ways baby girl,i must confess  
Oh pretty baby?  
No ways I must confess right now  
No ways I must not see you anymore  
No ways I must not say anything new  
I guess I've found my way it's simple  
I fell like i was in love oh no  
I am still alive
