Love is life
And life is living
It's very special

Ooh
Baby dont go
Baby dont go
Yeahhh
Baby dont go
Baby dont go
Yeahhh
Baby dont go
Baby dont go
Yeah yeah

It's such a shame but I'm leaving
Cant take the way you're mistreating me
And its crazy but oh baby
It don't matta whatever dont phase me

I don't believe you wanna leave like this
I don't believe I just had my last real kiss
I do believe we'll laugh and reminisce
Wait a minute don't bounce baby
Lets talk about this

Well im bouncing and I'm out son
I gotta leave you alone

(Bridge)
Cuz im good
Holding down my spot
And I'm good
Reppin the girls on the block
And I'm good
I got this thing on lock
So without me you'll be fine, right?

(Chorus)
All my pride is all I have
Pride is what you had, baby girl I'm what you have
You'll be needing me but too bad

Be easy, dont make decisions when you're mad
The path you chose to run alone
I know you're independent you can make it on you're
own
Here with me you had a home
Time is of the essence, why spend it alone?

The nights I've waited up for you, promises you made
about
Coming through, so much time you wasted, that's why I
had to replace you

It makes a cat nervous the thought of settling down,
Especially with me i was creeping all over town. i
thought my tender
Touch could lock ya down, I knew I had you as cocky as
it sounds
The way u used to giggle right before i put it down, its
better when you're
Angry come here I'll prove it now (come here)

Stop playing, you gaining, I got to leave you alone

(Bridge)
Cuz im good
Holding down my spot
And im good
Reppin the girls on the block
And im good
I got this thing on lock
So without me you'll be fine, right?

(Chorus)
All my pride is all I have
Pride is what you had, baby girl I'm what you have
You'll be needing me but too bad
Be easy, dont make decisions when you're mad
The path you chose to run alone
I know you're independent you can make it on you're
own
Here with me you had a home
Time is of the essence, why spend it alone?

People make mistakes, to make up, to break up, to
wake up
Cold and lonely, chill baby u kno me, u love me, im like
ur homie,
Instead beefing come hold me, i promise im not a
phony, dont bounce
Baby, consol me, come here

Ain't nothin' you can say to me that can change my
mind, i gotta let you go
Now, and nothin will ever be the same, so just be on ur
way, go ahead and do
Your thing now, and theres no more to explain to me ya
kno, i know ya game
I'm not feelin' what you do(and im good) so I'm
bouncing and
I'm out son (I'm good) I gotta leave you alone yeah
yeah

(Chorus) (repeat 2x)

All my pride is all I have
Pride is what you had, baby girl I'm what you have
You'll be needing me but too bad
Be easy, dont make decisions when you're mad
The path you chose to run alone
I know you're independent you can make it on you're
own
Here with me you had a home
Time is of the essence, why spend it alone?

(i promise u, im sad)
