Love is life and life is livin'
It's very special
All my love...

[Intro(LL Cool J)]
Oh...oh...oh...oh...oh...
(Baby, don't go)
(Baby, don't go) Yeah
(Baby, don't go, uh)
(Baby, don't go) Yeah
(Baby, don't go)
(Baby, don't go) Yeah, yeah
(Why are you act like that)

Verse 1
It's such a shame, but I'm leavin'
Can't take the way you mistreated me
And it's crazy, but oh, baby
It don't matter, whatever, don't phase me
(Rap: LL Cool J)
Uh, uh, uh
I don't believe you wanna leave like this
I don't believe I just had my last real kiss
I do believe we'll laugh and reminisce
Wait a minute, don't bounce, baby, let's talk about this,
man

Pre-Chorus:Jennifer Lopez
Well, I'm bouncin' and I'm out, son
I gotta leave you alone
'Cause I'm good holdin'down my spot
And I'm good reppin' the girls on the block
And I'm good, I got this thing on lock
So without me you'll be fine, right

Chorus:Jennifer Lopez(LL Cool J)
All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your

own)
Here with me you had a home, oh, yeah
(But time is of the essence, why spend it alone, huh)

Verse 2: Jennifer Lopez(LL Cool J)
All the nights I waited up for you (Oh, boy)
Promises you made about comin' through
So much time you wasted
That's why I had to replace you
Rap: LL Cool J
Uh, uh, uh
It makes a cat nervous, the thought of settlin' down
Especially me, I was creepin' all over town
I thought my tender touch could lock you down
I knew I had you, as cocky as it sounds
The way you used to giggle right before I put it down
It's better when you angry, come here, I'll prove it now,
come here

Pre-Chorus 2:(LL Cool J)
Stop playin, you gamin'
I gotta leave you alone
'Cause I'm good holdin' down my spot (Stop actin' like
that)
And I'm good reppin' the girls on the block (Now you
know you need to stop)
And I'm good, I got this thing on lock
So without me you'll be fine, right (Here we go)

Chorus:(LL Cool J)
All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your
own)
Here with me you had a home, oh, yeah
(But time is of the essence, why spend it alone, huh)

Verse 3: LL Cool J
People make mistakes to make up, to break up,
To wake up cold and lonely, chill, baby, you know me
You love me, I'm like your homey
Instead of beefin' come hold me
I promise I'm not a phony
Don't bounce, baby, console me, come here
Jennifer Lopez:
Ain't nothin' you can say to me that can change my
mind
I gotta let you go now

And nothin' will ever be the same, so just be on your
way
Go 'head and do your thing now
And there's no more to explain to me, no no
I know your game and I'm feelin' what you do

Pre-Chorus: Jennifer Lopez
So I'm bouncin' and I'm out, son
I gotta leave you alone, yeah, yeah

Chorus:(LL Cool J)
All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your
own)
Here with me you had a home, oh, yeah
(But time is of the essence, why spend it alone, huh)

All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your
own)
Here with me you had a home, oh, yeah
(But time is of the essence, why spend it alone, huh)

I promise you
You know what I'm sayin' xD !!!
