Baby dont go...baby dont go

yeah

Baby dont go...baby dont go

yeah

Baby dont go...baby dont go

yeah...Its such a shame, but I'm leavin...

Cant take the way you mistreatin me.

And its crazy;

But oh baby, It dont matter...

Whatever dont phase me..

I dont believe you wanna leave like this..

I dont believe I just had my last real kiss.

I do believe we'll laugh and reminisce;

Wait a minute don't bounce baby

lets talk about this

Well I'm bouncin and I'm out son.

I gotta leave you alone cause I'm good holdin down ma spot..

And I'm good reppin' the girls on the block.

And I'm good, I got this thing on lock.

So without me, you'll be fine. Right?

Chorus

All my pride is all i have

Pride is what you had, baby girl

I'm what you have..

You'll be needing me but too bad

Be easy, dont make decisions when your mad

The path you chose...to run alone

I know your independant, you can make it on your own.

Here with me you had a home..

Time is of the essence, why spend it alone?

The nights I've waited up for you,
promises you made about coming through,
so much time you wasted,
thats why I had to replace you.

It makes a cat nervous the thought of settling down.
Especially with me; I was creeping all over town.
I thought my tender touch could lock ya down.
I knew I had you; as cocky as that sounds.
The way you used to giggle right before I put it down...
Its better when your angry...
Come here and I'll proove it now...

Stop playin, you gamin.
I gotta leave you alone..
Cause I'm good holdin down ma spot..
And I'm good reppin' tha girls on the block.
And I'm good, I got this thing on lock.
So without me, you'll be fine. Right?
All my pride is all I have...

Pride is what you had, baby girl I'm what you have..

You'll be needing me but too bad..

Be easy, dont make decisions when your mad..

The path you chose...to run alone..

I know your independant, you can make it on your
own...

Here with me you have a home..

Time is of the essence, why spend it alone?
People make mistakes, to make up, to break up, to
wake up cold and lonely.
And chill baby you know me, you love me, I'm like your
homie.
Insteada beefin come hold me.
I promise I'm not a phony, dont bounce baby..console
me. Come here..

Nothin you can say to me that can change my mind.
I gotta let you go now. Nothin will ever be the same.
So just go on your way, go ahead and do your thing
now.
And theres no more to explain to me ya know.
I know your game, I'm not feelin what you do..and I'm
good..
So I'm bouncin and I'm out son...I'm good..

I gotta leave you alone yeah yeah.
All my pride is all I have...

Pride is what you had, baby girl I'm what you have..

You'll be needing me but too bad...

Be easy, dont make decisions when your mad...

The path you chose...to run alone..

I know your independant, you can make it on your
own...

Here with me you have a home..

When time is of the essence why spend it alone

All my pride is all i have

Pride is what u had baby girl im what u have

Youll be leaving me but too bad

Be easy dont make decisions when your mad

The path you chose to run alone

I know your independant you can make it on your own

J Lo: here with me you had a home
