Boy I never knew I could feel
The way I felt, when I felt the way
You were feelin me baby
I'm so outta control

Everytime you look my way
I realize more and more
How much I adore those pretty eyes
Of yours, I'm helpless baby

Hook

What I wanna know is
Are you willing to try
Can you love me for a lifetime
in just one night

Chorus

Baby I love you (Love You)
Baby I need you (Need You)
I gotta have you(I gotta have you babe)
Can't be without you (be without you)

Repeat Chorus

Blessed and cursed on the same day,
The day that I first felt the power of you
Inside of me such a strong feeling
There comes a time in everyone's Life
When you know and everyone around you knows
That everything has changed
You're not the same It's a new day

Hook

Oh what i wanna know is
Are you willin to try
There's gotta be more meaning to this
Than what meets the eye

Chorus

Baby I love you
Baby I need you

I gotta have you
Can't be without you

Repeat Chorus

Oh, I love the way you kiss me
Oh, baby please
I'm about to lose my mind
Oh talk to me, cause I'm beggin for you
And I'm down on my knees
Baby, I know you're the one that I need

Jennifer Solo Chorus

Baby I love you
You know I need you
Gotta have you
Can't be without you
