Boy I never knew I could feel
The way I felt, when I felt the way
You were feeling me baby
I'm so out of control, Yeah

Every time you look my way
I realize more and more
How much I adore those pretty eyes
Of yours, I'm helpless baby

What I wanna know is
Are you willing to try?
Can you love me for a lifetime
In just one night? oh

[chorus]
Baby I love you (Love you)
Baby I need you (I need you)
I gotta have you (I gotta have you babe)
Can't be without you (Be without you)
Baby I love you (Yeah)
Baby I need you (I need you)
I gotta have you (I gotta have you babe)
Can't be without you

Blessed and cursed on the same day,
The day that I first felt the power of you
Inside of me, such a strong feeling
There comes a time in everyone's life
When you know, and everyone around you knows
That everything is changed
You're not the same, it's a new day

Oh what I wanna know is
Are you willing to try
There's gotta be more meaning to this
Than what meets the eye

[chorus]
Baby I love you (Baby I need you)
Baby I need you (Gotta have you baby)

I gotta have you (Can't be without you)
Can't be without you (Baby I love you)
Baby I love you (Yeah yeah)
Baby I need you (I gotta have you)
I gotta have you (Yeah yeah yeah)
Can't be without you

Oh, I love the way you kiss me
Oh, baby please
I'm about to lose my mind
Oh talk to me, 'cause I'm begging for you
And I'm down on my knees
Baby, I know you're the one that I need

Baby I love you
You know I need you
I gotta have you
Can't be without you

Baby I love you
You know I need you
Gotta have you
Can't be without you

[chorus]
Baby I love you (Love you)
Baby I need you (I need you)
I gotta have you (I gotta have you baby)
Can't be without you (Baby I love you)
Baby I love you (Oh, oh I said)
Baby I need you (I do)
I gotta have you
Can't be without you

[chorus]
Baby I love you
Baby I need you
I gotta have you (Ladis, do you know what I'm talking
about?)
Can't be without you (Oh)
Baby I love you (When a man gets inside your soul)
Baby I need you (And he takes hold and he won't let
go)
I gotta have you (Have you..)
Can't be without you...
