Verse 2 (jLo)

Ur lips, talkin' bout i play to much
Can't a woman take advantage of wat she wants
My hips movin' oh so slow (so slow)
Bar tab lookin like a car note (car note)
All i need is u here right by my side
Take wateva u want, baby lets ride
And watever u wont do, let me decide
Just put ur name on tha dotted line....

~~chorus~~

(bridge)
So much we got to say, but so little time
And if tonight aint long enough, don't leave love
behind
(don't leave this love behind)
Baby take my hand, i'll show u why....

~~chorus~~

(Fabulous)
(whoa, whoa, whoa, whoa, whoa,whoa!!)

Its slim, wit the tilted rim or 20inch rims,
Rocked up wrist watch, 6inch timbs
Button up shirt cuff, wit the french trim
So u can tell a man, get to the right (oh!)
Im in tha drivers seat, u sit to tha right (oh!)
And dis is jus' to get to tha flight (oh!)
I like the way i fit to ya tight
So imma show u the world, in a day for it even get to
tha night
Im lookin' for a dime
But i don't need a penny tho
Any old wannabe Jenny-Lo....NO!
Plenty tho and there's plenty more where come from
Im the real talk where i come from (OH!!)

JLO ~~~chorus X2~~~
