Ha ha ha  
That makes no promises

If you only knew  
What I've been going through  
Waiting and wanting you  
Could this be love  
How, tell me how will I know  
Will my heart make me believe it so  
Or can I trust the way I feel?  
If you could read my mind  
(If you wanna know)  
(If you wanna know)  
You see how hard I've tried  
Still I can't decide

If you only knew  
What I've been going through  
Waiting and wanting you  
Could this be love  
Oh, tell me could this be love

Do you know if it's true?  
That real love lasts a lifetime  
Does it shine like the stars up in the sky  
And do you know if you can fall for?  
(Do you know?)  
Just a moment  
Is a moment for all time  
Why, why am I so unsure?  
Is that love knocking at my door  
Or the sound of my beating heart?  
If you could read my mind  
(If you wanna know?)  
(If you wanna know?)  
You know, I just can't hide  
What I feel inside

If you only knew  
What I've been going through  
Waiting and wanting you  
Could this be love?

Oh, tell me could this be love  
Could this be love?  
Oh, tell me could this be love  
Could this be love?  
(Baby, if you wanna know)  
I wanna know  
(Baby, if you wanna know)

(Baby, If you only knew)  
(What I've been going through)  
(Baby, If you only knew)  
(What I've been going through)
