Dance with me
Oh you just walk in
Dance
(Haha)

Too much is
On your mind
Gotta let it go
Can't worry all the time
Just let it flow

You say you need a break
There's nothin'
I can do
Sittin' here
Listening to you

Baby, what's this you tell me
Things ain't been goin' your way
Just take it from me
It's gonna be alright
So let's go out tonight
And we can leave
All our cares behind

Dance the night away
(Dance)
Party 'til the sun comes up
(Or)
Go grab a friend
Get on the floor

Come on and dance
(Dance)
Dance
(Dance)
Dance with me
DJ if you please

Nobody's on the wall
That's what I like
Come closer to me now

And hold me tight

Tell me just how
You're feeling right now
Are you really
Havin' a good time?

Baby, what's this you tell me
Thing's ain't been goin' your way
Just take it from me
It's gonna be alright
So let's go out tonight
And we can leave
All our cares behind

Dance the night away
(All night)
Party 'til the sun comes up
(Yea)
Go grab a friend
Get on the floor

Come on and dance
(Just dance)
Dance
(Dance)
Dance with me
DJ if you please

Just let yourself go
(Go)
Dance on the floor
(On the floor)
Your body is stoppin' you
(Stoppin' you)
Do what you wanna do
(Do what you wanna do)

Let the music take control
(Control)
If you feel it in your soul
Come one
And move your body
To the groove

Aah
Aah
Aah, aah
Aah
Aah
Aah

Aah

Up in the club
(The club)
Out on the floor
(The floor)
Move to the beat
(Come and move your body)
Dancin' with me
(Come and move your body)
DJ, DJ, play my music
Dance the night away

Just let your self go
(Self go)
Dance on the floor
(On the floor)
Your body is stoppin' me
(Stoppin' you)
Do what you wanna do
(Do what you wanna do)

Let the music take control
You can feel it in your soul
(In you soul)
Come on and move
Your body to the groove

Dance the night away
(Away)
Party 'til the sun comes up
(Yea)
Go grab a friend
(Go and grab a friend)
Get on the floor

Come on and dance
(Dance)
Dance
(Dance)
Dance with me
DJ if you please

Dance the night away
(Oh, my)
Party 'til the sun comes up
(Yea)
Go grab a friend
Get on the floor

Come on and dance

(Just dance)
Dance
(Dance)
Dance with me
DJ if you please
